

Robert Moses Parkway – South: “Riverway” Project

- Project Area - John B. Daly Blvd to Old Falls Street, largely within Niagara Falls State Park, along Upper Niagara River.
- Removal of all expressway features, earthen berm, and John B. Daly Blvd interchange and replacement with at-grade park road called “Riverway”, evoking Frederick Law Olmsted’s 1885 design in this area.
- New gateway features, scenic overlooks, & trail network.
- \$18.8 million Project (\$1.5 MM final design, \$15.8 MM Construction, & \$1.5 MM Construction Management/Oversight).
- Completion Date: Roadwork – ~late Fall 2015; park landscaping – ~late Spring 2016.
