firearms unless licensed pursuant to this section. An applicant to
engage in such business shall also be a citizen of the United States,

place of business in the city or county where the license is issued. For
such business, if the applicant is a firm or partnership, each member
thereof shall comply with all of the requirements set forth in this
subdivision and if the applicant is a corporation, each officer thereof shall so comply.

[1-a.] 1-b. For purposes of subdivision one of this section, serious offense shall include an offense in any jurisdiction or the former penal law that includes all of the essential elements of a serious offense as defined by subdivision seventeen of section 265.00 of this chapter. Nothing in this subdivision shall preclude the denial of a license based on the commission of, arrest for or conviction of an offense in any other jurisdiction which does not include all of the essential elements of a serious offense.

2. Types of licenses. A license for gunsmith or dealer in firearms shall be issued to engage in such business. A license for a semiautomatic rifle, other than an assault weapon or disguised gun, shall be issued to purchase or take possession of such a [firearm] semiautomatic rifle when such transfer of ownership occurs on or after the effective date of [the] chapter two hundred twelve of the laws of two thousand twenty-two that amended this subdivision. persons convicted or accused of crime or held as witnesses in criminal
cases, provided that application is made therefor by such commissioner,
warden, superintendent or head keeper; (f) have and carry concealed,
without regard to employment or place of possession subject to the
restrictions of state and federal law, by any person [when proper cause
exists for the issuance thereof]; and (g) have, possess, collect and

which is not designed for using rimfire or conventional centerfire fixed
ammunition; and (ii) any replica of any pistol described in clause (i)
hereof if such replica[···].
(1) is not designed or redesigned for using rimfire or conventional
centerfire fixed ammunition, or
(2) uses rimfire or conventional centerfire fixed ammunition which is
no longer manufactured in the United States and which is not readily
available in the ordinary channels of commercial trade.
4. Investigation. Before a license is issued or renewed, there shall
be an investigation of all statements required in the application by the
duly constituted police authorities of the locality where such applica-
tion is made, including but not limited to such records as may be acces-
sible to the division of state police or division of criminal justice
services pursuant to section 400.02 of this article. For that purpose,
the records of the appropriate office of the department of mental
hygiene concerning previous or present mental illness of the applicant
shall be available for inspection by the investigating officer of the
police authority. Where the applicant is domiciled in a foreign state,
the investigation shall include inquiry of the foreign state for records
concerning the previous or present mental illness of the applicant, and,
to the extent necessary for inspection by the investigating officer, the
applicant shall execute a waiver of confidentiality of such record in
such form as may be required by the foreign state. In order to ascertain
any previous criminal record, the investigating officer shall take the
fingerprints and physical descriptive data in quadruplicate of each
individual by whom the application is signed and verified. Two copies of
such fingerprints shall be taken on standard fingerprint cards eight
inches square, and one copy may be taken on a card supplied for that
purpose by the federal bureau of investigation; provided, however, that
in the case of a corporate applicant that has already been issued a
dealer in firearms license and seeks to operate a firearm dealership at
a second or subsequent location, the original fingerprints on file may
be used to ascertain any criminal record in the second or subsequent
application unless any of the corporate officers have changed since the
prior application, in which case the new corporate officer shall comply
with procedures governing an initial application for such license. When
completed, one standard card shall be forwarded to and retained by the
division of criminal justice services in the executive department, at
Albany. A search of the files of such division and written notification
of the results of the search shall be forwarded to the investigating
officer and shall be made without unnecessary delay. Thereafter, such
division shall notify the licensing officer and the executive depart-
ment, division of state police, Albany, of any criminal record of the
applicant filed therein subsequent to the search of its files. A second
standard card, or the one supplied by the federal bureau of investi-
gation, as the case may be, shall be forwarded to that bureau at Wash-
ington with a request that the files of the bureau be searched and
notification of the results of the search be made to the investigating
police authority. Of the remaining two fingerprint cards, one shall be
filed with the executive department, division of state police, Albany,
within ten days after issuance of the license, and the other shall
remain on file with the investigating police authority. No such finger-
prints may be inspected by any person other than a peace officer, who is
acting pursuant to his or her special duties, or a police officer,
except on order of a judge or justice of a court of record either upon
notice to the licensee or without notice, as the judge or justice may
deem appropriate. Upon completion of the investigation, the police
authority shall report the results to the licensing officer without
unnecessary delay.
4-a. Appeals from denial of an application, renewal, recertification
or license revocation. If an application for a license is denied, not
renewed, not recertified, or revoked, the licensing officer shall issue
a written notice to the applicant setting forth the reasons for such
denial. An applicant may, within ninety days of receipt of such notice,
request a hearing to appeal the denial to the appeals board created by
the division of criminal justice services and the superintendent of
state police. An individual may be represented by counsel at any appear-
ance before the appeals board and shall be afforded an opportunity to
present additional evidence in support of their application. The
commissioner of criminal justice services and the superintendent of
state police shall promulgate rules and regulations governing such
appeals process.
4-b. Processing of license applications. Applications for licenses
shall be accepted for processing by the licensing officer at the time of
presentment. Except upon written notice to the applicant specifically stating the reasons for any delay, in each case the licensing officer shall act upon any application for a license pursuant to this section within six months of the date of presentment of such an application to the appropriate authority. Such delay may only be for good cause and with respect to the applicant. In acting upon an application, the licensing officer shall either deny the application for reasons specifically and concisely stated in writing or grant the application and issue the license applied for.

[4-b.] 4-c. Westchester county firearms safety course certificate. In the county of Westchester, at the time of application, the licensing officer to which the license application is made shall provide a copy of the safety course booklet to each license applicant. Before such license is issued, such licensing officer shall require that the applicant submit a certificate of successful completion of a firearms safety course and test issued in his or her name and endorsed and affirmed under the penalties of perjury by a duly authorized instructor.

10. License: expiration, certification and renewal. (a) Any license for gunsmith or dealer in firearms and, in the city of New York, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not limited to expire on an earlier date fixed in the license, shall, except as otherwise provided in paragraph (d) of this subdivision, expire not more than three years after the date of issuance. In the counties of Nassau, Suffolk and Westchester, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not limited to expire on an earlier date fixed
in the license, shall expire not more than five years after the date of
issuance; however, in the county of Westchester, any such license shall
be certified prior to the first day of April, two thousand, in accord-
ance with a schedule to be contained in regulations promulgated by the
commissioner of the division of criminal justice services, and every
such license shall, except as otherwise provided in paragraph (d) of
this subdivision, be recertified every five years thereafter. For
purposes of this section certification shall mean that the licensee
shall provide to the licensing officer the following information only:
current name, date of birth, current address, and the make, model, cali-
ber and serial number of all firearms currently possessed. Such certif-
ication information shall be filed by the licensing officer in the same
manner as an amendment. Elsewhere than in the city of New York and the
counties of Nassau, Suffolk and Westchester, any license to carry or
possess a pistol or revolver, issued at any time pursuant to this
section or prior to the first day of July, nineteen hundred sixty-three
and not previously revoked or cancelled, shall be in force and effect
until revoked as herein provided. Any license not previously cancelled
or revoked shall remain in full force and effect for thirty days beyond
the stated expiration date on such license. Any application to renew a
license that has not previously expired, been revoked or cancelled shall
thereby extend the term of the license until disposition of the applica-
tion by the licensing officer. In the case of a license for gunsmith or
dealer in firearms, in counties having a population of less than two
hundred thousand inhabitants, photographs and fingerprints shall be
submitted on original applications and upon renewal thereafter [only] at
[six] three year intervals. Upon satisfactory proof that a currently
valid original license has been despoiled, lost or otherwise removed
from the possession of the licensee and upon application containing an
additional photograph of the licensee, the licensing officer shall issue
a duplicate license.

(b) All licensees shall be recertified to the division of state police
every five years thereafter, except as otherwise provided in paragraph
d of this subdivision. Any license issued before the effective date of
the chapter of the laws of two thousand thirteen which added this para-
graph shall be recertified by the licensee on or before January thirty-
first, two thousand eighteen, and not less than one year prior to such
date, the state police shall send a notice to all license holders who
have not recertified by such time. Such recertification shall be in a
form as approved by the superintendent of state police, which shall
request the license holder's name, date of birth, gender, race, residen-
tial address, social security number, firearms possessed by such license
holder, email address at the option of the license holder and an affir-
mation that such license holder is not prohibited from possessing
firearms. The form may be in an electronic form if so designated by the
superintendent of state police. Failure to recertify shall act as a
revocation of such license. If the New York state police discover as a
result of the recertification process that a licensee failed to provide
a change of address, the New York state police shall not require the
licensing officer to revoke such license.

(c) A license to purchase or take possession of a semiautomatic rifle
as defined in subdivision two of this section shall be recertified to
the applicable licensing officer every five years following the issuance
of such license. Failure to renew such a license shall be a violation
punishable by a fine not to exceed two hundred fifty dollars, and such
failure to renew shall be considered by the licensing officer when
reviewing future license applications by the license holder pursuant to this chapter.

(d) Licenses issued under paragraph (f) of subdivision two of this section shall be recertified or renewed in the same form and manner as otherwise required by this subdivision, provided however, that such licenses shall be recertified or renewed every three years following the issuance of such license. For licenses issued prior to the effective date of this paragraph that were issued more than three years prior to such date, or will expire in less than one year from such date shall be recertified or renewed within one year of such date.

11. License: revocation and suspension. (a) The conviction of a licensee anywhere of a felony or serious offense or a licensee at any time becoming ineligible to obtain a license [under this section shall operate as], including engaging in conduct that would have resulted in the denial of a license, under this section shall operate as or be grounds for a revocation of the license. A license may be revoked or suspended as provided for in section 530.14 of the criminal procedure law or section eight hundred forty-two-a of the family court act. Except for a license issued pursuant to section 400.01 of this article, a license may be revoked and cancelled at any time in the city of New York, and in the counties of Nassau and Suffolk, by the licensing officer, and elsewhere than in the city of New York by any judge or justice of a court of record; a license issued pursuant to section 400.01 of this article may be revoked and cancelled at any time by the licensing officer or any judge or justice of a court of record. unnecessary delay to the executive department, division of state police, Albany, and shall also notify immediately the duly constituted police authorities of the locality. The licensing officer shall revoke any license issued in which an applicant knowingly made a material false statement on the application. Notice of a revocation under this subdivision shall be issued in writing and shall include the basis for the determination, which shall be supported by a preponderance of the evidence. Such notice shall also include information regarding the ability to appeal such decision in accordance with subdivision four-a of this section.

(b) Whenever the director of community services or his or her designee makes a report pursuant to section 9.46 of the mental hygiene law, the division of criminal justice services shall convey such information, whenever it determines that the person named in the report possesses a license issued pursuant to this section, to the appropriate licensing official, who shall issue an order suspending or revoking such license.
