1 Notwithstanding section 40 of the state  
2 finance law or any provision of law to the  
3 contrary, subject to federal approval,  
4 department of health state funds medicaid  
5 spending, excluding payments for medical  
6 services provided at state facilities  
7 operated by the office of mental health,  
8 the office for people with developmental  
9 disabilities and the office of addiction  
10 services and supports and further exclud-  
11 ing any payments which are not appropri-  
12 ated within the department of health, in  
13 the aggregate, for the period April 1,  
14 2025 through March 31, 2026, shall not  
15 exceed \$33,417,285,000 except as provided  
16 below provided, however, such aggregate  
17 limits may be adjusted by the director of  
18 the budget to account for any changes in  
19 the New York state federal medical assist-  
20 ance percentage amount established pursu-  
21 ant to the federal social security act,  
22 increases in provider revenues, reductions  
23 in local social services district payments  
24 for medical assistance administration,  
25 minimum wage increases, and beginning  
26 April 1, 2012 the operational costs of the  
27 New York state medical indemnity fund,  
28 pursuant to chapter 59 of the laws of

1 2011, and state costs or savings from the  
2 essential plan program. Such projections  
3 may be adjusted by the director of the  
4 budget to account for increased or expe-  
5 dited department of health state funds  
6 medicaid expenditures as a result of a  
7 natural or other type of disaster, includ-  
8 ing a governmental declaration of emergen-  
9 cy.

10 The director of the budget, in consultation  
11 with the commissioner of health, shall  
12 assess on a quarterly basis known and  
13 projected medicaid expenditures by catego-  
14 ry of service and by geographic region, as  
15 defined by the commissioner, incurred both  
16 prior to and subsequent to such assessment  
17 for each such period, and if the director  
18 of the budget determines that such expend-  
19 itures are expected to cause medicaid  
20 spending for such period to exceed the  
21 aggregate limit specified herein for such  
22 period, the state medicaid director, in  
23 consultation with the director of the  
24 budget and the commissioner of health,  
25 shall develop a medicaid savings allo-  
26 cation adjustment to limit such spending  
27 to the aggregate limit specified herein  
28 for such period.

1 Such medicaid savings allocation adjustment  
2 shall be designed, to reduce the expendi-  
3 tures authorized by the appropriations  
4 herein in compliance with the following  
5 guidelines: (1) reductions shall be made  
6 in compliance with applicable federal law,  
7 including the provisions of the Patient  
8 Protection and Affordable Care Act, Public  
9 Law No. 111-148, and the Health Care and  
10 Education Reconciliation Act of 2010,  
11 Public Law No. 111-152 (collectively  
12 "Affordable Care Act") and any subsequent  
13 amendments thereto or regulations promul-  
14 gated thereunder; (2) reductions shall be  
15 made in a manner that complies with the  
16 state medicaid plan approved by the feder-  
17 al centers for medicare and medicaid  
18 services, provided, however, that the  
19 commissioner of health is authorized to  
20 submit any state plan amendment or seek  
21 other federal approval, including waiver  
22 authority, to implement the provisions of  
23 the medicaid savings allocation adjustment  
24 that meets the other criteria set forth  
25 herein; (3) reductions shall be made in a  
26 manner that maximizes federal financial  
27 participation, to the extent practicable,  
28 including any federal financial partic-

1 ipation that is available or is reasonably  
2 expected to become available, in the  
3 discretion of the commissioner, under the  
4 Affordable Care Act; (4) reductions shall  
5 be made uniformly among categories of  
6 services and geographic regions of the  
7 state, to the extent practicable, and  
8 shall be made uniformly within a category  
9 of service, to the extent practicable,  
10 except where the commissioner determines  
11 that there are sufficient grounds for  
12 non-uniformity, including but not limited  
13 to: the extent to which specific catego-  
14 ries of services contributed to department  
15 of health medicaid state funds spending in  
16 excess of the limits specified herein; the  
17 need to maintain safety net services in  
18 underserved communities; or the potential  
19 benefits of pursuing innovative payment  
20 models contemplated by the Affordable Care  
21 Act, in which case such grounds shall be  
22 set forth in the medicaid savings allo-  
23 cation adjustment; and (5) reductions  
24 shall be made in a manner that does not  
25 unnecessarily create administrative  
26 burdens to medicaid applicants and recipi-  
27 ents or providers.

1 The commissioner shall seek the input of the  
2 legislature, as well as organizations  
3 representing health care providers,  
4 consumers, businesses, workers, health  
5 insurers, and others with relevant exper-  
6 tise, in developing such medicaid savings  
7 allocation adjustment, to the extent that  
8 all or part of such adjustment, in the  
9 discretion of the commissioner, is likely  
10 to have a material impact on the overall  
11 medicaid program, particular categories of  
12 service or particular geographic regions  
13 of the state.

14 (a) The commissioner shall post the medicaid  
15 savings allocation adjustment on the  
16 department of health's website and shall  
17 provide written copies of such adjustment  
18 to the chairs of the senate finance and  
19 the assembly ways and means committees at  
20 least 30 days before the date on which  
21 implementation is expected to begin.

22 (b) The commissioner may revise the medicaid  
23 savings allocation adjustment subsequent  
24 to the provisions of notice and prior to  
25 implementation but needs to provide a new  
26 notice pursuant to subparagraph (i) of  
27 this paragraph only if the commissioner  
28 determines, in his or her discretion, that

1 such revisions materially alter the  
2 adjustment.

3 Notwithstanding the provisions of paragraphs  
4 (a) and (b) of this subdivision, the  
5 commissioner need not seek the input  
6 described in paragraph (a) of this subdivi-  
7 sion or provide notice pursuant to para-  
8 graph (b) of this subdivision if, in the  
9 discretion of the commissioner, expedited  
10 development and implementation of a medi-  
11 caid savings allocation adjustment is  
12 necessary due to a public health emergen-  
13 cy.

14 For purposes of this section, a public  
15 health emergency is defined as: (i) a  
16 disaster, natural or otherwise, that  
17 significantly increases the immediate need  
18 for health care personnel in an area of  
19 the state; (ii) an event or condition that  
20 creates a widespread risk of exposure to a  
21 serious communicable disease, or the  
22 potential for such widespread risk of  
23 exposure; or (iii) any other event or  
24 condition determined by the commissioner  
25 to constitute an imminent threat to public  
26 health.

27 Nothing in this paragraph shall be deemed to  
28 prevent all or part of such medicaid

1 savings allocation adjustment from taking  
2 effect retroactively to the extent permit-  
3 ted by the federal centers for medicare  
4 and medicaid services.

5 In accordance with the medicaid savings  
6 allocation adjustment, the commissioner of  
7 the department of health shall reduce  
8 department of health state funds medicaid  
9 spending by the amount of the projected  
10 overspending through, actions including,  
11 but not limited to modifying or suspending  
12 reimbursement methods, including but not  
13 limited to all fees, premium levels and  
14 rates of payment, notwithstanding any  
15 provision of law that sets a specific  
16 amount or methodology for any such  
17 payments or rates of payment; modifying or  
18 discontinuing medicaid program benefits;  
19 seeking all necessary federal approvals,  
20 including, but not limited to waivers,  
21 waiver amendments; and suspending time  
22 frames for notice, approval or certif-  
23 ication of rate requirements, notwith-  
24 standing any provision of law, rule or  
25 regulation to the contrary, including but  
26 not limited to sections 2807 and 3614 of  
27 the public health law, section 18 of chap-

1 ter 2 of the laws of 1988, and 18 NYCRR  
2 505.14(h).

3 The department of health shall prepare a  
4 quarterly report that sets forth: (a)  
5 known and projected department of health  
6 medicaid expenditures as described in  
7 subdivision (1) of this section, and  
8 factors that could result in medicaid  
9 disbursements for the relevant state  
10 fiscal year to exceed the projected  
11 department of health state funds disburse-  
12 ments in the enacted budget financial plan  
13 pursuant to subdivision 3 of section 23 of  
14 the state finance law, including spending  
15 increases or decreases due to: enrollment  
16 fluctuations, rate changes, utilization  
17 changes, MRT investments, and shift of  
18 beneficiaries to managed care; and vari-  
19 ations in offline medicaid payments; and  
20 (b) the actions taken to implement any  
21 medicaid savings allocation adjustment  
22 implemented pursuant to subdivision (4) of  
23 this section, including information  
24 concerning the impact of such actions on  
25 each category of service and each  
26 geographic region of the state. Each such  
27 quarterly report shall be provided to the  
28 chairs of the senate finance and the

1 assembly ways and means committees and  
2 shall be posted on the department of  
3 health's website in a timely manner.

4 The money hereby appropriated is to be  
5 available for payment of aid heretofore  
6 accrued or hereafter accrued to munici-  
7 palities, and to providers of medical  
8 services pursuant to section 367-b of the  
9 social services law, and for payment of  
10 state aid to municipalities and to provid-  
11 ers of family care where payment systems  
12 through the fiscal intermediaries are not  
13 operational.

14 Notwithstanding any inconsistent provision  
15 of law to the contrary, funds may be used  
16 by the department for outside legal  
17 assistance on issues involving the federal  
18 government, the conduct of preadmission  
19 screening and annual resident reviews  
20 required by the state's medicaid program,  
21 computer matching with insurance carriers  
22 to insure that medicaid is the payer of  
23 last resort and activities related to the  
24 management of the pharmacy benefit avail-  
25 able under the medicaid program.

26 Notwithstanding any inconsistent provision  
27 of law, in lieu of payments authorized by  
28 the social services law, or payments of

1 federal funds otherwise due to the local  
2 social services districts for programs  
3 provided under the federal social security  
4 act or the federal food stamp act, funds  
5 herein appropriated, in amounts certified  
6 by the state commissioner of temporary and  
7 disability assistance or the state commis-  
8 sioner of health as due from local social  
9 services districts each month as their  
10 share of payments made pursuant to section  
11 367-b of the social services law may be  
12 set aside by the state comptroller in an  
13 interest-bearing account in order to  
14 ensure the orderly and prompt payment of  
15 providers under section 367-b of the  
16 social services law pursuant to an esti-  
17 mate provided by the commissioner of  
18 health of each local social services  
19 district's share of payments made pursuant  
20 to section 367-b of the social services  
21 law.

22 Notwithstanding any inconsistent provision  
23 of law, funding made available by these  
24 appropriations shall support direct salary  
25 costs and related fringe benefits within  
26 the medical assistance program associated  
27 with any minimum wage increase that takes  
28 effect during the timeframe of these

1 appropriations, pursuant to section 652 of  
2 the labor law. Each eligible organization  
3 in receipt of funding made available by  
4 these appropriations may be required to  
5 submit written certification, in such form  
6 and at such time the commissioner may  
7 prescribe, attesting to the total amount  
8 of funds used by the eligible organiza-  
9 tion, how such funding will be or was used  
10 for purposes eligible under these appro-  
11 priations and any other reporting deemed  
12 necessary by the commissioner. The amounts  
13 appropriated herein may include advances  
14 to organizations authorized to receive  
15 such funds to accomplish this purpose.

16 Notwithstanding any other provision of law,  
17 the money hereby appropriated may be  
18 increased or decreased by interchange or  
19 transfer, with any appropriation of the  
20 department of health and the office of  
21 medicaid inspector general and may be  
22 increased or decreased by transfer or  
23 suballocation between these appropriated  
24 amounts and appropriations of the depart-  
25 ment of health state purpose account, the  
26 office of mental health, office for people  
27 with developmental disabilities, the  
28 office of addiction services and supports,

2 of temporary and disability assistance,  
3 the department of corrections and communi-  
4 ty supervision, the office of information  
5 technology services, the state university  
6 of New York, and office of children and  
7 family services, the office of medicaid  
8 inspector general, the state education  
9 department, and the state office for the  
10 aging with the approval of the director of  
11 the budget, who shall file such approval  
12 with the department of audit and control  
13 and copies thereof with the chairman of  
14 the senate finance committee and the  
15 chairman of the assembly ways and means  
16 committee.

17 Notwithstanding any inconsistent provision  
18 of law to the contrary, the moneys hereby  
19 appropriated may be used for payments to
