### EXECUTIVE ORDER

#### **Continuing Temporary Suspension and Modification of Laws Relating to the Disaster Emergency**

**WHEREAS**, on March 7, 2020, I issued Executive Order Number 202, declaring a State disaster emergency for the entire State of New York; and

**WHEREAS**, both travel-related cases and community contact transmission of COVID-19 have been documented in New York State and are expected to continue; and

**WHEREAS**, the expectation is that community contact transmission could increase this fall; and

**WHEREAS**, the need to ensure the safety and security of the electoral process is paramount, and voters must have confidence that they can cast their ballot and have it be counted in a manner of their choosing based on the relevant state laws; and

**WHEREAS**, these suspensions and modifications are intended to ensure that all voters have the opportunity to vote statewide;

**NOW THEREFORE**, I, Andrew M. Cuomo, Governor of the State of New York, by virtue of the authority vested in me by Section 29-a of Article 2-B of the Executive Law to temporarily suspend or modify any statute, local law, ordinance, order, rule, or regulation, or parts thereof, of any agency during a State disaster emergency, if compliance with such statute, local law, ordinance, order, rule, or regulation would prevent, hinder, or delay action necessary to cope with the disaster emergency or if necessary to assist or aid in coping with such disaster, do hereby suspend or modify the following through September 23, 2020:

- Sections 15-120 and 15-122 of the Election Law, Sections 2018-a and 2018-b of the Education Law, and Section 84-a of the Town Law, as well as any provision of law related to a special district election taking place prior to November 3, 2020, and not administered by the County Board of Elections to the extent necessary to include the potential for contraction of the COVID-19 virus as an illness for purposes of request or receipt of an absentee ballot;
- Section 8-400 and any provision of Article 9 of the Election Law, in order to provide that every voter that is in active and inactive status and is eligible to vote in any election on or before November 3, 2020, may be able to request an absentee ballot via phone or internet or electronically; and if such voter requests an absentee ballot, such voter shall be sent an absentee ballot, provided however each voter shall not be sent more than one ballot pursuant to a phone request, and shall not be required to complete an application either prior to or simultaneously to receiving the ballot. Further, the board of elections receiving the telephone request shall maintain a record of such telephone request for an absentee ballot, and may complete the absentee ballot application as such record on behalf of the voter requesting the absentee ballot, provided that no ballot shall be deemed invalid for lack of a complete absentee ballot application for any reason;
- Section 9-209(3) of the Election Law related to curing deficiencies in absentee ballots is modified to the extent necessary to require that a board of elections shall provide a five day cure period for any eligible deficiency instead of seven if such absentee ballot is received after November 3, 2020; and further modified to require that a board of election shall first notify any voter of any eligible

deficiency within 24 hours of identifying the deficiency by phone or email, if available and shall only mail such notification to the voter if notice to the voter by phone or email is not possible; and

- Article 16 of the Election Law is modified to the extent necessary to provide that no cause of action shall be maintained against a board of elections if, for the general election taking place on November 3, 2020, notice is not able to be made within the time period set forth in section 9-209(3) after a good faith effort, and through no fault of the board of elections.
