Whereas, generations of immigrants from every corner of the globe have helped build our economic and social structure, creating the unique character of New York State and all of America; and

Whereas, immigrants continue to add to our society through business growth, innovation, cultural enrichment, neighborhood revitalization, and job creation; and

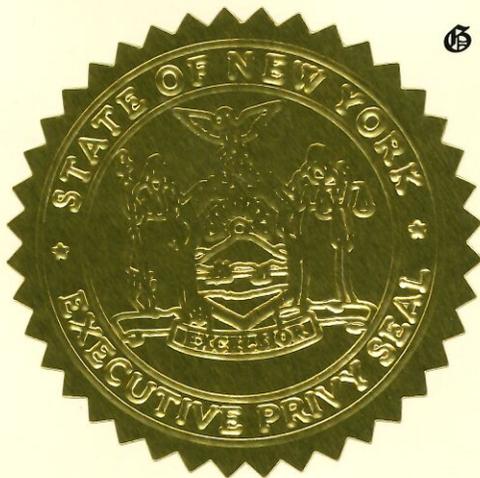

Whereas, throughout history, many immigrants to arrive on our shores have become tireless leaders not only in securing their own rights and access to equal opportunity, but campaigning to create a fairer and more just society for all Americans; and

Whereas, immigrants have an immeasurable influence and impact on the economic, social, and cultural framework of the United States and New York State, and we join in recognizing our immigrant communities for their achievements in all areas of endeavor and their positive contributions to our daily lives;
